JCI Productions is currently seeking Sponsors for our Live with JCI Ministries program and other projects JCI Productions supports. □

JCI Ministries is a one-hour live television program in the Austin area that helps many individuals develop a personal relationship with

Jesus Christ, and also informs our audience about what is going on around the world.

The Gandy's □ Jonathan, Jamie, Mauri and J. Craig love doing ministry together.

Our programs have a large Christian audience that is dedicated to watching our program every week. Through cable television we are reaching many of the un-churched to spread the message of the truth of the gospel of Jesus Christ. Many viewers turn the channel when they see someone preaching at them from a pulpit, however we have discovered that many people of all faiths are watching our host J. Craig Gandy as he sits and shares in an honest and real way about his relationship with Jesus Christ. He is completely at ease, and he makes his guests feel relaxed and inspired to share their faith. Many in our audience have commented that they were "mesmerized" as they listened to

Lights, Camera, Action!

Jamie Gandy sets lights. • Lighting is very important to the set. It is the first thing Jamie checks when the JCI crew comes to the studio to set up. After the lights are perfectly set she moves on to the next important task.

Jonathan joins Jamie in setting up all three HD cameras. They make sure each camera is white balanced and in perfect focus. Next they join their mother in the control room to set up all the computers. Dad gets his notes ready, as his crew makes sure everything is perfect.

Craig share straight from his heart.

We truly believe it is time for Christian businessmen and women of God to take a stand for Jesus Christ. We will make a tremendous difference around the globe as we stand together in unity within the body of Believers. Let's join together and push forward to claim the inheritance that belongs to the saints of God, through Jesus Christ our Lord. Please contact us if

you would like to sponsor any of our programs.

Our sponsorships start as low as \$100.00. The sponsors logo and recognition will be promoted during the recording of our weekly live show. Our live programs are resubmitted and aired at least three more times on Channel 11 in Austin, Texas. After airing our live program we upload the program to several video sharing websites. Our programs and sponsor information are embedded into our program, which remains online for viewing by our audience during the year.

JCI PRODUCTIONS creates an online promotional campaign for your ministry and business as well as exhibiting you on television. We specialize in filming businesses, events and promotions at your location as well as during

As the end draws near, Ronnie is shocked by the fact of a deadly truth that ends up rocking her new world. "The Last Song" is currently playing in theatres with Miley Cyrus starring as the main character. Mauri, Jonathan and Jamie recommend that you read the book before you watch the movie. The book gives a much deeper view of each character's faith in God. Steve, the father, is searching for God's presence. You will love what he discovers at the end of the book.

From the desk of Mauri Gandy

THIS SPRING SEASON has been wonderful. I am really proud of my husband who makes an outstanding host, and our two youngest children Jonathan and Jamie who have given 100% to become their very best to make our live ministry show one of the best in Austin.

We started our second season this spring on February 4th with special guest Evangelist Randy DeMain. It was our 100th program to be aired. Our first show was televised on August 12th, 2009.

In May we are planning to have Chad Chaney and his band return. Their song "Mesmerized" has become our theme song this Season. We hope to have Evangelist Daniel Pringle as a guest on a live show in May. We are the only live ministry show in Austin that informs people of Christian and family events, and we appreciate your calls to keep us informed of the latest news and events.

Jamie and Mauri Gandy shared their review on the book and movie "The Last Song" during the April 8th Live with JCI Ministries television program.

Book Review by Jamie Gandy

☐THE LAST SONG☐
BY: NICHOLAS SPARKS.

The Last Song was a really enjoyable read, one in which I didn't expect to be so Christian based. The book is not considered a Christian book in its promotional material. Once you look between the pages of this book, you see how Mr. Sparks shares his faith in this book in such a way so that those that don't believe in Jesus Christ could still read the book and also enjoy it. We see these Christ like characteristics in Steve, the father, as he tries to make amends with his two children, Ronnie and Johan. His daughter Ronnie is full of anger and rebellion towards her father for leaving them three years earlier, but Jonah is overjoyed to be spending the summer with his father. Time and again the father shows Christ's love and forgiveness towards his unruly daughter. But with the help of a young man and a nest of unhatched loggerhead turtles she begins to open her heart. When Ronnie is accused a crime and is forced to go to court, her father is the only one who believes she is innocent. This starts the healing process of forgiveness because of her father's trust.

Did you watch our 2010 Snow Show?

Our Family filmed the morning it snowed in Austin. We journeyed out and filmed some great snow shots at Barton Springs, Barton Creek Mall and Cathedral of Praise. It is a miracle when Austin Texas gets snow. Jonathan and Jamie threw some snowball at the Zilker Park Playground. Jonathan, Jamie and Mauri each took a camera to the Sherwood Forest Faire and had great fun filming the event.

Dear Partners and Friends

We thought we would drop all of our friends a short email to update you about what has been going on with our ministries. First of all, we want to thank all of you for your prayers and support. It has really made a difference as our television ministry has grown the past eight months. We now having produced and aired over 120 television programs. Our programs are being streamed via the Internet, and we are now touching lives around the world with the truth of the Gospel of Jesus Christ.

Over eighty of our past programs can be viewed on our website and more will be uploaded in the future. We believe you will see our heart while watching the programs and our desire to share God's love with a hurting world. This is the day for the outpouring of His Glory and we are excited to have an opportunity to share that truth with others.

We try to keep our message real. We don't preach at people, we share His love and truth throughout the Austin

region and streamed around the world. Many un-churched people have mentioned they have been touched by His love being shared. People of all denominations are drawing into the Heart of God as we do our part to bring the Body of Christ closer together in unity the way Jesus desires. When we take our eyes off of our differences and put them on what we have in common, that Jesus is the Son of God and our Lord and Savior, we truly can make a difference for the kingdom of Jesus Christ.

On Thursday, April 29th our special guest will be Lee Eddins, publisher of "Austin Faith and Family" magazine. We are excited about our weekly television show cross promoting with this wonderful Christian monthly magazine.

We appreciate your gifts and donations and prayer support as we attack the airwaves with the truth of the Gospel of Jesus Christ. The deadline for the summer season is approaching and we need your donations to pay the fees and cost to continue this wonderful television ministry. We pray God blesses our efforts as we reach around the world with

the truth of His love, and we pray God blesses you in every way with many blessings.

In Jesus' love,
Craig, Mauri, Jonathan
& Jamie Gandy
